

NIDHI KALYANI

PRIVACY & DATA PROTECTION PROFESSIONAL

Berlin, Germany, 16225 | nidhikalyani46287@gmail.com | +49 15162734759 | [LinkedIn](#)

PROFILE

Berlin-based, EU work-authorised, German climbing from A2 to B1. Lawyer turned privacy specialist — five-year law degree, combined two years in commercial practice, now all-in on GDPR operations and EU AI Act readiness. I build RoPAs, run DPIAs, and handle Article 28 vendor assessments and incident response, hands-on with OneTrust, Vanta, and Securit. ISO/IEC 27701-certified, CIPP/E candidate, AIGP next.

PROFESSIONAL EXPERIENCE

Privacy Analyst, World Cyber Security Forum (WCSF) **Nov 2025 to Present**
(Freelance)(pro bono)

- Draft privacy policies, terms of service, and Records of Processing Activities (RoPA) for clients, ensuring GDPR and DPDP Act (India) compliance.
- Conduct DPIAs and data protection audits for client organisations, identifying risks and documenting remediation steps.
- Apply ISO/IEC 27001 (ISMS) and ISO/IEC 27701 (PIMS) standards when building privacy frameworks.
- Develop incident-response documentation and data-mapping models to strengthen clients' data management and efficiency.

Volunteer Contributor, World Cyber Security Forum (WCSF) & Data Privacy Bharat Centre (DPBC) **May 2025 to Present**

- Contribute to research and discussion on cyber law and privacy frameworks, including Schrems II, Standard Contractual Clauses, and cross-border data transfers.
- Present at webinars covering GDPR enforcement, DPDP Act implementation, and emerging EU privacy regulation.
- Support development of privacy-by-design guidance and digital governance policies.

Legal Associate, INDIALAW LLP **Oct 2021 to Sept 2023**
Bengaluru

- Drafted and reviewed commercial agreements: SaaS contracts, software licensing, NDAs, vendor contracts.
- Advised on cyber law under the IT Act 2000 (Section 43A, SPDI Rules 2011) — the regulatory precursor to India's DPDP Act and the foundation of this privacy specialisation.
- Conducted bank legal audits and provided regulatory compliance opinions for institutional banking clients.
- Managed a civil and commercial litigation portfolio, including IBC/NCLT insolvency matters, property disputes, and contract disputes.

Professional Development & EU Privacy Specialisation, Self-directed **Nov 2023 to Apr 2025**
(post-relocation to Germany)

- Transitioned from general legal practice into EU data protection specialisation. Began CIPP/E preparation (targeting 2026); relocated to Germany and began structured German- language study (A2) moving to (B1).
- Completed certifications: TÜV SÜD ISO/IEC 27701:2025, OneTrust Tech Risk & Compliance, Vanta Admin User, and Securiti Privacy Ops.
